

**Equipping..**

**Mobilizing..**

**Sending..**

Many churches are already involved in this year's EMS emphasis. The challenge again is that every resident member of our churches would share the gospel of Jesus Christ with someone by the end of the year. We would ask that you begin praying that God would give you a divine appointment this year. An opportunity to share the Gospel with someone you know that does not know Jesus Christ as their personal Lord and Savior.

The Evangelism Team stands ready to provide training, using the new tool. If your church is interested in this free evangelism tool, please email or call Dave Nimer our Evangelism Team Leader for your training materials and tracts. Also if you would like someone to come and provide an in-house training event please let us know.

Relational evangelism is the key in reaching the 21<sup>st</sup> century. A recent poll showed 80% of Southern Baptists are willing to share their faith, but only 25% are intentional about doing so. Research shows that being trained to witness gives people more incentive to share with others.
